If you are unsure follow this general setup example:

Author. (Date of publication). Title of document [Format of document if unusual]. Publishing/Retrieval data.

Notes: Remember to list the author/ editor's last name first and then their initials. If there isn't a DOI for an electronic resource, use the URL from where you retrieved it. For titles, capitalize the first word and italicize. Refer to the *The Publication Manual of the American Psychological Association, 7th ed.* for more information.
